

## **Ragtag Adult Parties - Covid Protocol**

Maximum of 10 Adults

When you arrive

- Everyone needs to come in, go straight upstairs and sit at their individual tables. This is where they need to stay for the duration of the workshop. Please avoid any gathering in the entrance area.
- Everyone needs to hand sanitise their hands on arrival
- All adults are required to wear masks whilst in the building
- The Scrapstore is not accessible during the party. You may enter before and after, but there is a limited number of 4 people allowed in at one time.

During the workshop

- Each workshop participant will be sat 2 meter apart.
- Each participant will have all their own materials and equipment on their table, which will have been cleaned prior to the workshop.
- Your workshop leader will be wearing a visor to deliver the workshop. They will maintain social distancing throughout the session. If they are required to support a child at their table they will wear a face mask, and sanitise their hands..

Food

- You are welcome to bring your own food and drinks for the workshop. This can not be shared between participants.
- Please take away any waste from your snacks home with you, and avoid as much single use plastic as possible.
- Hot drinks are available to purchase, ask your workshop leader for details.

Toilets

- The toilet is situated on the landing upstairs. Spray is provided to clean the touch points down between each use. Workshops participants can use the facilities one at a time.
